# DIGITAL ADVERTS:

"Take a look at what we've done for other companies and be part of this massive program. Give us a call today!"

**KTF Africa**  
KTF started off as a small family business operating from home in Natal in 2001, later a Gauteng branch was opened, but sold in 2016 due to the owners' immigration and under new management in Gauteng has developed since into a substantial retail business.
