

Southern African Disc

LEADS BANK

Are you looking to boost your business sales overnight?

Have you ever wanted to shop around for new products and services?

We at Dotcom Africa have the perfect solution for you!

Welcome to Leadsbank – the best in offline search™

Leadsbank is a Proudly South African product guaranteed to drive new sales opportunities for all businesses across the globe. This self installed software, accessible from your desktop provides users with thousands of business contacts from throughout the Southern African market instantly.

How does it work?

- Search through 1.5m fresh new business leads at your convenience
- No Wi-Fi or internet connection needed - this is purely an offline software
- Find advertisements and listings of all companies - reputable and remote
- Search, sort, tag and add favourites
- Export results to Excel and PDF formats
- Perfect for testing the markets with new offerings prior to launch
- Ideal for business entrepreneurs, salespersons, buyers, investors, administrators and executives
